

The logo consists of three concentric, overlapping circular arcs in green, yellow, and blue, arranged in a partial circle on the left side of the page.

Scadbury Park Acorn Trail - Post 15

In spring look around you for some of the plants associated with semi-natural ancient woodland: bluebells, yellow archangel and wood anemones.

English bluebells

yellow archangel

Wood anemone

When you reach the more open area, turn left and follow the boundary of Little Wood (on your left) towards Post 16.
